

CAUTION

THIS IS A PROTECTED TREE

It is to be retained and protected from construction impacts.

- Any work within the tree protection zone must be approved by an Urban Forester.
- Protect roots by applying matting or mulch wherever soil compaction may occur.
- Tree pruning or removal is not allowed.
- No construction work can occur in the tree protection zone. Visit edmonton.ca/treeprotection for required protection distances.

Failure to comply may result in damages.

For more information, visit
edmonton.ca/treeprotection
or contact 311.
